GET RID OF DEFICIENCIES

Most women in India has nutritional deficiencies, be it rural women or urban. Often they skip their own balanced food routine either in hurry or while taking care of others. Many Indian women have micronutrient deficiencies, such as Vitamin D, Vitamin B12, Calcium etc. These can lead to several health issues and pregnancy complications. When the diet is not healthy enough to meet your daily nutrition, it is must to have some easy and reliable health drink specially made for women

100% RECOMMENDED DAILY DOSE OF CALCIUM AND VITAMIN-D.
